* This step is only required once.

You can define which email notifications you want to receive for all orders (by default). For this, go to the **"Notifications"** section in **"My Profile"**.

*Please note:
After ordering, you can adjust the email notifications
for each order individually.*

Ordering Step 1: Start a New Order

To start a new order, please click the **"New Order"** button on the upper right side in the portal.

You can also order directly from the website by clicking on the "Order Now" button next to the test of your interest.

Ordering Step 2: Select Diagnostic Test

The screenshot shows a software interface titled "New Order: Select Diagnostic" with a close button (X) in the top right corner. The main heading is "EXOME". On the left, there is a vertical list of five grey rectangular items, with the second item from the bottom highlighted in blue. To the right of this list, there are several horizontal bars: a long blue bar at the top, followed by a grey bar, a grey bar, a grey bar, and a blue bar at the bottom. To the right of these bars are two blue buttons with white text: "EXM01" and "EXM01FOCUS". Each button has a right-pointing arrow next to it. Above the "EXM01" button is an upward-pointing arrow (^), and below the "EXM01FOCUS" button is a downward-pointing arrow (v). A horizontal line separates the two buttons.

Select the appropriate test from the test menu and start the ordering process by clicking on the arrow symbol next to the test you wish to order.

Ordering Step 3: Complete the Order Form

Order - Single ExomeXtra® ⓧ

PATIENT DATA

Please be as detailed as possible. You can upload medical reports, pictures, and supporting documents within several steps during the order process. The draft is automatically saved, and you can complete it at a later stage.

Please download and print the consent form! This document needs to be added to the sample shipment.

At the end of the ordering process
click "**Submit Order**".

*Please note:
After submitting your order, you will
not be able to edit the order any longer.*

Ordering Step 4: Complete the Order

Add

In case you have colleagues that should be informed about the analysis, you can add these colleagues here.

The invited colleague will have access to the documents you submitted (order summary and additional uploaded files) and, once available, to the medical report.

Ordering Step 5: Shipment

Package list:

- ✓ Sample(s)
- ✓ Patient consent showing the myCeGaT Order ID

*Please send the samples,
together with the
patient consent to:*

CeGaT GmbH
Paul-Ehrlich-Straße 23
72076 Tübingen
Germany

For urgent cases:

Send an email to
diagnostic-support@cegat.com
mentioning the
myCeGaT Order ID and
the tracking number.

Ordering Step 6: Track Your Order

The screenshot displays the myCeGaT web interface. At the top, a dark blue header contains the text "myCeGaT". Below the header, there is a search bar with a magnifying glass icon and a "New Order" button. The main content area features a progress bar with six segments, each topped with a blue bar. The second segment from the left is highlighted in light gray and contains the text "Analysis in progress" and a vertical ellipsis menu icon. Below the progress bar, there are three rows of gray rectangular bars, representing data or status for each segment.

After submitting your order, you can track the progress within the portal. After you finalized the order in the portal the first status is **"Order submitted"**. As soon as we receive the samples and process the order the status will change into **"Analysis in progress"**.

You can adjust the email notifications for each order by clicking on the  symbol and choose "Order notifications".

Ordering Step 7: Download the Report

The screenshot displays the myCeGaT web interface. At the top left, the text "myCeGaT" is visible. Below it is a search bar with a magnifying glass icon. To the right of the search bar is a blue button labeled "New Order". Below these elements is a table with six columns. The first five columns contain grey rectangular placeholders. The sixth column contains the text "Report available" and a download icon (a square with a downward arrow). Below the table, there are two more rows of grey rectangular placeholders.

When the medical report becomes available the status of the order will change to **"Report available"** and a download icon is shown. Here you can download the medical report(s) for your order.

We keep the reports for a long period of time. You can easily find your orders by using the search bar.
